CODE**

## **Lands Management Advisory Committee (LMAC) Public Notice - Frequently Asked Questions -**

### **Q: What should I include in my Letter of Interest?**

A: There is no formal template for a Letter of Interest, however, please be sure to include the following:

- Your Name
- Confirmation that you are an eligible candidate for the LMAC
- Your reason for applying for this role (this could include why you're interested in lands management, your experience, etc.)
- Your contact information

### **Q: How often will the LMAC meet?**

A: We anticipate monthly meetings as this is a new committee, however, depending on the will of the appointed committee and the volume of work pertaining to the Land Code, this could fluctuate as required.

### **Q: What is an example of the kind of work the LMAC will be advising on?**

A: A prime example of the kind of work would be the development of the Land Use Plan (LUP). The LMAC could support the LUP by providing guidance and direction as to how to carry-out LUP community engagement sessions, identifying important land use priorities (ie. future use, environmental protection, zoning, etc.), reporting back to membership, and providing recommendations to Council and staff.

Have more questions? Contact the Land Code Manager, Megan Whonnock at [megan.whonnock@namgis.bc.ca](mailto:megan.whonnock@namgis.bc.ca) or call 250-974-5556.
