

# Volunteers needed

To return Gukwdzi, a symbol of 'Namgis heritage on the reserve, to its original glory, we are calling out to volunteers to join the effort to repaint the front face of our Big House.

This Gukwdzi, host of ceremonies, potlatches, celebrations, has served 'Namgis for 20 years and now it is time to renovate it for many more years and decades of hosting our gatherings.

Just bring your volunteer enthusiasm and dedication to serve the community and we will provide everything else to make it an enjoyable experience for you.
