## 2<sup>ND</sup> ROUND

### HEAT PUMP APPLICATIONS

On behalf of 'Namgis First Nation, we are pleased to extend another invitation to 'Namgis members living on reserve to submit a Heat Pump Application.

'Namgis has received additional funding that will support the Heat Pump Project.

Once all applications are received before the deadline, the 'Namgis Housing Committee will review eligible members and make a recommendation to Chief & Council.

#### ELIGIBILITY PRIORITIZATION

Priority for this project is for On-Reserve Members who:

- Live in House (Single Detached Home)
- Eligible for a Major Repair Loan from 'Namgis
- Have a valid house insurance

Applications are welcome for members who may not meet the above criteria; however, considerations will prioritize the above.

#### NOTE: DECEMBER APPLICANTS

MEMBERS WHO HAVE SUBMITTED A HEAT PUMP APPLICATION BY DECEMBER 3, 2021, DO NOT NEED TO RESUBMIT.

IF YOU RECEIVED A LETTER INDICATING YOU HAD AN INCOMPLETE APPLICATION, PLEASE FOLLOW THE DIRECTIONS ON THE LETTER PRIOR TO RESUBMISSION.
